

# Community Health Screening

## Cholesterol, Blood Sugar, BMI and Blood Pressure Testing

**Date:** Wednesday, April 12, 2017

**Time:** 7:00am until 9:00am

**Where:** Huron Conference Room  
(Helen Newberry Joy Hospital, Newberry)

### Screenings:

- Blood Sugar & Cholesterol - \$8.50

For accurate blood sugar and cholesterol results,  
a 12 hour fast is necessary prior to testing.

To properly fast, eat nothing and drink only water.  
Do continue to take your medications.

- Blood Pressure - free
- Pulse-Oxygen Level - free
- BMI (body mass index) - free
- HNJV Patient Services Information

**HNJV Community Health Screenings are open to everyone.**

You do not need to live in Newberry to participate.

**For more information, please  
contact Lynn Kihm, RN  
by calling 906-293-9286.**
