

Dr. Magyar Joins HNJ Hospital Medical Staff

Helen Newberry Hospital & Healthcare Center is pleased to announce the appointment of Dr. Francis (Frank) M. Magyar as a member of the Hospital's medical staff. Dr. Magyar is a Board Certified Internal Medicine physician who comes to Newberry with many years of extensive experience and high recommendations. Dr. Magyar is replacing Dr. Urban who has left the area and returned home for health and personal reasons and to be close to his children.

Originally from lower Michigan, Dr Magyar was born in Paw Paw. He did his pre-professional college studies at Michigan State University where he graduated "With Honors" in 1970 with a Bachelor of Science degree. Dr. Magyar received a Doctor of Medicine degree in 1974 from the Medical College of Wisconsin in Milwaukee. He did his Medicine Internship at Henry Ford Health Care Corporation, in Detroit, and his Post Doctoral Training at Henry Ford in the Department of Cardiology.

Over the years, Dr. Magyar has obtained broad experience in private practice in Goshen, Indiana, as a Senior Staff Physician at Henry Ford, and as an Internal Medicine Physician at the McLaren Regional Medical Center in Flint. Additionally, he has served as a Clinical Instructor at Michigan State University's College of Human Medicine.

To add to Dr. Magyar's diverse skills is his extensive experience in emergency rooms. He has served as an ER Physician in Goshen (IN), Elkhart (IN), as well as at Henry Ford (Sterling Heights Satellite), and at Emergency Physicians Medical Group based in Ann Arbor. While serving as an ER Physician for this Medical Group, Dr. Magyar worked in medical centers in Lapeer, Alma, Clare, Gladwin, and Grayling. Most recently, Dr. Magyar served as an ER Physician for the EUP Emergency Physicians that provides emergency room service at Helen Newberry Joy Hospital.

In addition to being licensed by the State of Michigan, Dr. Magyar is certified by the American Board of Internal Medicine. He has certifications in Advanced Cardiac Life Support, Pediatric Advanced Life Support, Advanced Trauma Life Support, and is a Neonatal Resuscitation Program Provider.

Dr. Magyar, who resides in McMillan, has been married to his wife Rosalie for 32 years. They have 12 children and love to spend their free time with the family and doing other activities including gardening. According to Helen Newberry Joy Hospital CEO Wayne Hellerstedt, "We are very pleased to have someone with Dr. Magyar's extensive experience join our medical staff...He has proven skills and is a very personable individual."

And the feeling is mutual...According to Dr. Magyar, "I am very happy to be at Helen Newberry Joy as a member of the Hospital's medical staff. In working here, in the emergency room, I have come to know the staff and the administration and we all work very well together." Adds Dr. Magyar, while recently providing coverage in the Clinic, "I have seen many local residents and I am looking forward to getting to know more community members, and their families, and continuing to provide excellent service and care."

Dr. Magyar's office will be located in the Gibson Family Health Clinic. His office can be reached by calling 293-9233. Dr. Magyar will start seeing patients on Monday, October 1st.
